## OUR CLIENTS INCLUDE:

# HOW IT WORKS

## 01

---

### Carefully Review Your Inquiry

We have created a simple and quick inquiry form for you to complete so that we completely comprehend what it is that you need. Then, our team will review your completed application and send you the appropriate quote.

## 02

---

### Selection Process

Our agency places a high value on staff selection, and we take great care to match you with the best candidate. Our team makes sure the individual we select are the best for you.

## 03

---

### Booking the Staff

Once we have selected the staff we contact the chosen ones and we make sure they are available for your event. Additionally, our team will find backup candidates in case of an emergency cancellation from any candidate

## 04

---

### Briefing the staff

At Personal Bodyguard 24/7 we want to ensure that our staff is ready to go as soon as the event starts. All staff receive a thorough briefing that includes all details for our booking. Please feel free to forward any extra briefing materials that you would like the team to have.

## 05

---

### Constant Contact

From the moment our staff are booked until they come on site and throughout the term of their booking, we stay in continual contact with them. Additionally, we are available to our clients around-the-clock.

## 06

---

### No worries

You don't need to be concerned about the staff not showing up because we will be aware of their arrival before you are. In order to be prepared to begin working at the time they have been scheduled, our team is instructed to arrive 15 minutes early.
